
Fairline Targa 58 GTB

Ubicación
Menorca, Spain

CONSTRUCTOR/DISEÑADOR

Año: 2021
Diseñador: ALBERTO MANCINI
Material del casco: GRP

Dimensions

Eslora total: 18.29m / 60ft
Manga: 1.51m / 4.97 feet

MOTORES

Combustible: Diesel
Velocidad máxima: 36 knots

Especificaciones e Inventario

BOAT WITH DELIVERY IN APRIL 2021 Feel free for any further information. We can value a part exchange or manage to sell your actual yacht until the delivery next April 2021. Fairline Yachts, introduces the all-new Targa 58 GTB ? another addition to the highly successful portfolio of work from celebrated Italian superyacht designer, Alberto Mancini, and the British boatyard. This large express cruiser boasts a highly desirable beach club, making the Targa 58 GTB the first British-born sub-80ft model to feature one. At a glance, the new Targa 58 GTB is unmistakable as a modern Fairline, with expertly designed interiors that take this model to the next level. Crafted in the image of a modern luxury apartment, herringbone wooden flooring and elegant lighting is used to create a sophisticated ambience, with Fairline?s trademark handcrafted woodwork incorporated throughout the lower deck. The focus on interior excellence has not come at a performance cost, with a maximum speed of 36 knots expected. The Targa 58 GTB forges a close connection to the water, utilising innovative drop-down wings to provide greater space at the stern. The bathing platform is designed to extend into a fully functional beach club. The beach club is the perfect setting to host guests and enjoy the beauty of your surroundings. It also offers impressive storage for both a Williams 345 JetRib and Seadoo Spark jet ski.

ADDITIONAL INFORMATION

Deck
